Carpet Carousel

The Vidir Carpet Carousel is the industry leading storage and display solution for carpet rolls of various widths, diameters, and sizes. The motorized carousel utilizes overhead space for storage, saving floor space, while leaving carpet rolls easily accessible at the touch of a button. Additionally, Vidir has designed a line of carpet cutting machines that integrate seamlessly with the Carpet Carousel to create a complete storage, display, and cutting solution for both the retail and manufactured homes industries.

- Store 5 - 17 carpet rolls based on standard models
- Full line of integrated cut/measure/rewind systems available for improved productivity
- Single person operation & loading
- Utilizes overhead space for maximum storage density
- Security keypad prevents unauthorized use
- Ergonomic design increases workplace safety and prevents back injuries
- Multi-tower and bridge options available

Safe Handling • Easy Access • Maximum Storage • Fast Retrieval • Small Footprint
