

Vidir's Medical Supply Carousel is a uniquely designed automated storage and retrieval solution that utilizes wasted vertical space and provides maximum density for storing vials, syringes, rubber gloves, medical tape, and small boxed supplies, etc, to preserve usable floor space for more important matters.

Vidir is proud to include the Medical Supply Carousel as part of their Vertical Storage family of Solutions, and excited to introduce new innovations to continue their industry-leading support of high-density vertical storage in all industry settings.

VIDIR vertical storage solutions
